

Changes to the Route and Temporary Bus Stop on August 16

Due to traffic restrictions for the **Miyazu Toro Nagashi Fireworks Festival**, bus routes will be changed throughout the day.

Please see the details below.

■ The ‘Michi-no-Eki Umi no Kyoto Miyazu’ bus stop will not be served.
The nearby express bus stop, ‘Kisenbaminatoka,’ will be used as a temporary bus stop instead.

■ The “Miyazu Station” and “Miyazu City Hall” bus stops will not be served.
Due to restrictions on access to Miyazu Station, buses will operate without passing through the “Miyazu Station / Miyazu City Hall” bus stops.

***Express buses** (Kyoto Line / Osaka Line) will continue to allow passengers to board and alight at Miyazu Station. However, if the scheduled arrival time at Miyazu Station is **5:30 p.m.** or later, passengers will instead board and alight at the temporary bus stop next to ‘Reiwa Miyazu Hall’.

We apologize for any inconvenience this may cause and ask that you please check the information carefully to avoid confusion.

Please also note that significant delays are expected on the Ine Line and Kamanyu Line (Miyazu/Amanohashidate - Ine) due to traffic congestion in Miyazu City.
