

# Announcement of a Revised Fare of our Cable car & Chairlift

We would like to inform you that we will be revising the fares for Amanohashidate Kasamatsu Cable Car & Chairlift to ensure a stable and sound transportation environment and maintain safe, reliable, and comfortable service. The fare revision is intended to address the increased costs for investments that contribute to safety and comfort, such as renewal of aging cable car and device, disaster prevention measures, and promotion of barrier-free facilities, as well as increased personnel expenses.

We will continue to work towards further growth. We appreciate your understanding.
